5. These instructions constitute notice of the lifting of suspension of liquidation of entries of Val-Fit, Inc.'s dual-size reducing carbon steel butt-weld pipe fittings from the People's Republic of China entered, or withdrawn from warehouse, for consumption on or after 12/26/1991.
6. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated antidumping duties. The interest provisions are not

applicable to cash or bonds posted as estimated antidumping duties before the date of publication of the antidumping duty order. Unless instructed otherwise, for all other shipments of certain carbon steel butt-weld pipe fittings from the People's Republic of China not covered by paragraph 2 above, you shall continue to collect cash deposits of estimated antidumping duties for merchandise subject to the antidumping duty order at the current rates.
